Certificate of Merit and Letter of Recommendation

Pawandeep Singh has successfully completed **Data Science** internship working for the month of May and early June. Pawandeep has successfully collected, cleaned, and organized a database of few important educational organizations and few other databases. Pawandeep has worked independently and without much instructions.

I wish Pawandeep well with future endeavors. Should there be any questions about Pawandeep's work with my group, feel free to contact me.

Best wishes,

Sukant Khurana, Ph.D.

Scientist, CSIR-CDRI
